Subject: Request for Review of Internal Marks Deduction Policy Implementation

Respected Sir/Madam,

I hope this letter finds you well.

We, the students of the ECE department, would like to bring to your kind attention a matter concerning the internal assessment marks recently released.

As per your directions, it was clearly communicated that a deduction of 15 marks would be applied to the internal scores of students who were detained. This policy has been duly implemented in our department. However, we have observed discrepancies in the internal marks of students from the IT department. Several students who were also detained appear to have received marks exceeding the 25-mark limit (i.e., more than 30 out of 40), contrary to the aforementioned directive. We have collected multiple pieces of evidence supporting this claim and are attached with this application.

We respectfully request you to look into this issue and ensure a fair and uniform implementation of the rules across all departments. We believe that equal treatment of students is essential to maintaining the integrity and trust in our academic system.

We hope that necessary action will be taken to rectify the situation and bring justice to the students of the ECE department.

Thank you for your time and understanding.

Sincerely,

Students of ECE Department

NOTICE

On the basis of the attendance record submitted by various faculty members, the students of B.Tech. (IT) 4th semester are NOT ALLOWED to appear in the examination (scheduled during 17/03/2025 to 21/03/2025). Further, the students are advised to compensate for the shortage of attendance henceforth by attending the classes, which they may be detained as per University norms.
